Dear Carl:

Re: Probe, Snow, and Four Corners Mines, M/015/011, M/015/013, M/015/014, Emery County, Utah

I have enclosed a copy of my field memo with this letter. It discusses my observations during the visit and some of our discussions. If it conflicts with anything we talked about, please get back to me.

I will wait for the aerial photos before making a definitive bond estimate. I anticipate something between \$7,000 and \$10,000 for each of the two sites which will require a bond (the Snow and the Four Corners).

Thank you for your time.

Sincerely,

Holland Shepherd
